

WHAT SETS TICOR APART STARTS AT THE *Core*

At Ticor, every transaction is built on expertise, precision, and trust.

Behind the scenes, our title officers work to ensure ownership is clear, identifying and resolving issues before they impact your deal. Our escrow officers guide each transaction from open to close, managing the details, timelines, and communication that keep everything moving forward with confidence.

Supporting every step is a dedicated customer service team committed to delivering a seamless experience, along with sales executives who act as true partners by providing the tools, insights, and support needed to help grow your business.

Each Role at the Core:

TITLE OFFICER

Reviews property history, clears title issues, and ensures ownership is accurate and protected.

ESCROW OFFICER

Manages the transaction process, including documents, funds, and coordination between all parties.

CUSTOMER SERVICE TEAM

Provides responsive support and helps keep every transaction running smoothly.

SALES EXECUTIVE

Partners with you to grow your business through strategy, tools, and ongoing support.

Our team is aligned on one goal:

getting every detail right, so you can confidently move your business forward.
